### FRONTIER AIRLINES EXPANDS SERVICE FROM FORT MYERS TO 23 NON-STOP ROUTES SIX NEW ROUTES START IN NOVEMBER

Celebratory Introductory Fares as low as \$49

FORT MYERS, Fla. - Frontier Airlines is expanding its signature, low-fare service between Southwest Florida Regional Airport and seven new cities starting this November. The addition of these destinations means the airline will serve 23 cities non-stop from RSW. The new routes were revealed today at a press conference with airline and airport officials. In celebration, fares as low as \$49 are available at FlyFrontier.com.

The new cities from Fort Myers include the following destinations: Albany, N.Y.; Las Vegas; Phoenix, Ariz.; Portland, Maine; Salt Lake City, Utah, and Syracuse, N.Y. Frontier will be the only airline offering non-stop service on five of these six routes. The carrier will operate these new routes with the Airbus A320 family of aircraft.

“The response from the Fort Myers community to our Low Fares Done Right mission has been tremendous,” said Daniel Shurz, Senior Vice President, Commercial of Frontier Airlines. “With this winter’s schedule, we will offer a great range of destinations to customers traveling to or from Fort Myers.”

“We are excited that Frontier Airlines has announced service to numerous new cities from Southwest Florida International Airport, including flights to Albany, N.Y., Las Vegas, Phoenix, Portland, Maine, Salt Lake City and Syracuse, N.Y.,” said Jeff Mulder, A.A.E., executive director of the Lee County Port Authority. “With these additions, Frontier will offer nonstop service during the busy winter travel season to a total of 23 cities, the most of any airline at RSW.”

Frontier is focused on more than low fares. The carrier offers customers the ability to customize their travel to their needs and budget. For example, customers can purchase options a la carte or in one low-priced bundle called the WORKS<sup>sm</sup>. This bundle includes refundability, a carry-on bag, a checked bag, the best available seat, waived change fees and priority boarding. The Works is only available at FlyFrontier.com.

Frontier flies one of the youngest fleets in the industry, the Airbus A320 Family of nearly 80 jet aircraft. With nearly 200 new planes on order, Frontier will continue to grow to deliver on the mission of providing affordable travel across America. Frontier’s young fleet also ensures that the company will continue to keep fares low and that customers will enjoy a pleasant and reliable experience flying with the airline.
