About Southwest Florida International Airport

Southwest Florida International Airport (RSW), operated by the Lee County Port Authority (LCPA), was certified for operation in May 1983 and is one of the newest airports in the nation. Focused on convenience and comfort in a beautiful setting, RSW is committed to providing the region’s commercial air service while offering an exceptional travel experience to the millions of passengers who use the airport each year.

Nonstop service is offered throughout the U.S., as well as international service to Canada and Germany. With flights to major gateways like Atlanta, Chicago, New York and more, travelers have access to convenient connections worldwide.

For the most up-to-date information, including route map and schedules, please visit our website at www.flylcpa.com.
Location
Located in Fort Myers, the airport is perfectly positioned to serve the greater Southwest Florida area as well as other points along Florida's Gulf Coast. With quick access to Interstate 75 and U.S. 41, travelers will find the airport's location puts all the attractions of the region within easy driving distance.

Facilities
- Three passenger concourses with 28 gates
- International arrivals facility with two gates and customs/immigration services
- International transit lounge
- Skyplex, a site located north of the runway, offers more than 1,100 acres for commercial development, including 75 acres of prime ramp access.

Amenities
- More than 30 food, beverage and retail establishments
- Free Wi-Fi (RSWify) throughout the terminal
- Convenient Cell Phone Lot with on-airport gas station and convenience store
- On-site rental car center, just steps away from baggage claim
- Business center/currency exchange
- Visitor services booths located throughout the terminal
- Outside dog walk and passenger leisure areas

Passengers
Nearly 9.4 million annual passengers (2018)

Economic Impact
The Florida Department of Transportation 2018 Economic Impact Study shows the total contribution from airport operations to the region's economy through direct and indirect sources is $8.4 billion annually.

Runway
Runway 6/24: 12,000 x 150 feet (3,658 x 46 meters) with asphalt surface, which can accommodate wide-body international aircraft. A 9,100-foot parallel runway is planned for the future.

Operating Budget
$125.5 million for fiscal year 2018-19. LCPA operates as an enterprise fund with revenue generated from airport operations. No ad valorem (property) tax dollars support airport operations or construction.

Terminal Expansion
A terminal expansion project is planned to begin in 2020. The $200+ million project will enhance the travel experience at RSW, especially during the busy winter season.

Fast Facts About RSW
