Federal law now requires wearing a mask at all times while in and on the airport. Failure to comply may result in removal and denial of re-entry.

Do your part! Practice social distancing and try to stay 6 feet away from other travelers while in the terminal and rental car facility. Wash your hands often, use hand sanitizer and do not travel if you are sick.

Please check with your airline on specific COVID-19 travel guidance and tips, as well as rules and restrictions for your final destination. In addition, check your airline website for information on bag weight and size limitations.

Make sure all straps are inside your suitcase or firmly secured and all pockets and zippers are closed. Also remove old luggage tags and bar code stickers.

Take any medications, jewelry and other valuables in your carry-on luggage.

Check the TSA website (www.tsa.gov) for information on restricted articles in checked and carry-on baggage, as well as new procedures for COVID-19.

Remove belts and all personal items from your pockets, such as wallets and keys before entering the checkpoint queue and place them in your carry-on bag. Place all food items and electronics larger than a cellphone in a bin for security screening.

Observe the 3-1-1 liquids rule – No more than 3 ounces of liquid per container, all must fit into 1 quart-sized bag and only 1 bag per passenger.

TSA is allowing one liquid hand sanitizer container, up to 12 ounces per passenger, until further notice. This will need to be removed from your bag for screening.

Scan the QR code for the most up-to-date air service and airport information.

Going Somewhere?

The health and safety of our passengers is a top priority. Know what to expect before coming to the airport. We want you to feel comfortable and confident when traveling through RSW.
Come Early, Relax, Enjoy the View!

- Please plan to be at the airport at least 2 hours prior to your flight departure time. There are social distancing measures in place, so it may take extra time to check-in and get through security.
- Allow extra time for parking and getting to the terminal building. To help prevent the spread of COVID-19 and to protect employees and travelers, buses from the long-term lot are limited to less than 10 passengers.
- Take time to enjoy our terminal before your flight. We offer bright, open spaces where you can sit and read a book or just watch the planes take off and land.
- Any pet in the terminal, that is not a service animal, must be kenneled or on a leash not to exceed six feet.
- Some amenities are not available and hours of operation are limited and based on passenger activity levels. Please visit flylcpa.com for the most up-to-date information.
- Check email or browse the internet with our free Wi-Fi service (RSWiFly) located throughout the terminal.

Short-term Parking (Garage)

Short-term parking is located directly across from the terminal with rental car facilities on the ground floor. Rates include all taxes and fees.
- First 20 Minutes .............................................................. Free
- Next 20-minute Increment ................................................ $2
- First Hour .......................................................................... $3
- Daily Maximum ............................................................... $18

Please note: There is a height restriction of 8’4” on the 2nd level. Electric vehicle charging stations are available on the 3rd level.

On-site Rental Cars

The airport’s rental car facility is located on the ground level of the parking garage. Arriving passengers should proceed downstairs, exit baggage claim and walk across the street.

Ground Transportation Booth

Need information? Located outside the baggage claim area near Door #3, our ground transportation agents will be glad to help you.

Long-term Parking

Long-term parking is located in the surface lot beyond the parking garage. Shuttles provide transportation to and from this lot. Rates include all taxes and fees.
- Per Hour................................................................. $2
- Daily Maximum ......................................................... $11
- First Week Rate ........................................................ $60
- Daily Rate after First Week ....................................... $4

Please note: Electric vehicle charging stations are available in the first row.

Hello, Hello? We Just Arrived!

- Remember, there is no parking or waiting curbside at the airport.
- Picking up family? Please use our convenient cell phone lot. This also helps with social distancing initiatives in the terminal. Just have your party call or text when they have their bags and can tell you what door they are standing near outside.
- If you need to assist someone flying in or out, please park in the short-term garage. Remember, the first 20 minute are free.
